

## WATER DISTRICT NOTICE OF PUBLIC HEARING ON TAX RATE

The **HARRIS COUNTY MUNICIPAL UTILITY DISTRICT NO. 345** will hold a public hearing on a proposed tax rate for the tax year 2025 on October 20, 2025 at 12:00 PM at SPH, 1300 Post Oak Suite 2500, Houston, Texas 77056. Your individual taxes may increase at a greater or lesser rate, or even decrease, depending on the tax rate that is adopted and on the change in the taxable value of your property in relation to the change in taxable value of all other property. The change in the taxable value of your property in relation to the change in the taxable value of all other property determines the distribution of the tax burden among all property owners.

Visit [Texas.gov/PropertyTaxes](https://www.texas.gov/PropertyTaxes) to find a link to your local property tax database on which you can easily access information regarding your property taxes, including information about proposed tax rates and scheduled public hearings of each entity that taxes your property.

**FOR** the proposal: Aaron Pichon, Everett M. Dalton, Keith Wright and Mike Fitzgerald

**AGAINST** the proposal: None

**PRESENT** and not voting: None

**ABSENT:** David Vinzant

The following table compares taxes on an average residence homestead in this taxing unit last year to taxes proposed on the average residence homestead this year.

|                                                                                                                   | Last Year                        | This Year                        |
|-------------------------------------------------------------------------------------------------------------------|----------------------------------|----------------------------------|
|                                                                                                                   | <b><u>\$0.158000 / \$100</u></b> | <b><u>\$0.153900 / \$100</u></b> |
| Total tax rate (per \$100 of value)                                                                               | Adopted                          | Proposed                         |
| Difference in rates per \$100 of value                                                                            |                                  | <u>-\$0.004100 / \$100</u>       |
| Percentage increase/decrease in rates (+/-)                                                                       |                                  | <u>-2.594936%</u>                |
| Average appraised residence homestead value                                                                       | <u>\$532,267</u>                 | <u>\$565,564</u>                 |
| General homestead exemptions available<br>(excluding 65 years of age or older or<br>disabled person's exemptions) | <u>\$0</u>                       | <u>\$0</u>                       |
| Average residence homestead taxable value                                                                         | <u>\$532,267</u>                 | <u>\$565,564</u>                 |
| Tax on average residence homestead                                                                                | <u>\$840.98</u>                  | <u>\$870.40</u>                  |
| Annual increase/decrease in taxes if                                                                              |                                  |                                  |
| proposed tax rate is adopted (+/-)                                                                                |                                  | <u>+\$29.42</u>                  |
| and percentage of increase (+/-)                                                                                  |                                  | <u>+3.498299%</u>                |

### NOTICE OF VOTE ON TAX RATE

If the district adopts a combined debt service, operation and maintenance and contract tax rate that would result in the taxes on the average residence homestead increasing by more than 3.5 percent, an election must be held to determine whether to approve the operation and maintenance tax rate under Section 49.23602, Water Code. An election is not required if the adopted tax rate is less than or equal to the voter-approval tax rate.

**The 86th Texas Legislature modified the manner in which the voter-approval tax rate is calculated to limit the rate of growth of property taxes in the state.**
